Rejuvenate your Body, Mind & Soul Naturally !

As the song says, "everything old is new again". In no field is this truer than in natural medicine, where remedies esteemed by traditional healers finds new life after their usage is reinforced by scientific inquiry.

Today, researchers have found compounds from herbs and plants that justify its ancient usage. One of the plants come to the notice of researchers is Sea buckthorn (SBT). Dr. Oz from USA says that SBT is the miracle berry in the Himalayas.

CEOVIA contains a wealth of essential and rare bio-active compounds, made exclusively from wild-harvested STB berries from the Himalayas, which is known to enhance the growth, renewal and repair of cells, with proven benefits that visibly create a long lasting and uplifting dimension to natural health, beauty and vitality from the inside-out. It contains more than 190 biologically active compounds that act as cell bio-activator and protect the skin from free radicals as well as natural aging process.

Boosted Production of Hyaluronic Acid, Collagen & Elastin

How does CEOVIA good for skin, hair and nails?

CEOVIA provides key building blocks for skin, hair and nails, which could be damaged due to aging or external environmental conditions. It helps combat winkles, dryness, loss of skin elasticity and aging of skin. It also helps skin function properly by supporting numerous skin function, including

- Boosting collagen
- Protecting against oxidative damage
- Rejuvenating skin cell membrane
- Repaired sun damaged skin
- Enhancing the skin's ability to retain moisture

How CEOVIA is good for weight management?

Palmitoleic acid, also known as omega 7 fatty acid, is a rare compound that is present in CEOVIA in the higher concentration, at 40 percent. Omega 7 fatty acids are used by the body's enzymes to the help in the fat melting, preventing fat from being stored in the body. This results in weight loss that lasts longer than other weight reduction program.

How CEOVIA is helpful in boosting immune system?

The antioxidants in CEOVIA fight the free radicals that can damage the body organs. CEOVIA is rich in Vitamin E as well as organic acids, which have bio stimulating effects to support immune system & speedy recovery.

How long CEOVIA should be taken for results?

This will be depending on the condition. Some people report improvement very quickly. According to studies it is best to plan for three months. Due to the extraordinary benefits of CEOVIA for whole body wellness, it can be continued for longer period of time.

What is the recommended dosage for CEOVIA?

For the best results, take two softgel capsules daily 30 min before meal, preferably in the morning on an empty stomach.
